- Australian permanent residents (including Australian permanent humanitarian visa holders)

FEE-HELP is a loan for students that will cover up to the full amount of their tuition fees and is available to fee paying undergraduate students (undergraduates will be charged a 25% loan fee). FEE-HELP debts are repaid in a similar way as the Higher Education Contribution Scheme (HECS) and Postgraduate Education Loan Scheme (PELS). For example there are still:

- Compulsory repayments made through the income tax assessments
- Voluntary repayments; and
- Indexation applied to debts on 1 June each year.

VET FEE-HELP is a student loan program for eligible full-fee paying VET students. The program is open to full-time or part-time students studying a diploma or advanced diploma course with an approved VET provider and covers part or all of their tuition fees. Students who access the loan will repay the amount, including a 20% loan fee, through the tax system via compulsory and/or voluntary contributions. VET FEE-HELP assistance can only be offered to eligible full fee-paying students from an approved VET provider for certain VET accredited diploma, advanced diploma, graduate certificate and graduate diploma courses. VET FEE-HELP is an extension of the higher education FEE-HELP arrangements.

To be eligible for FEE-HELP and/or VET FEE-HELP the student must be:

- An Australian citizen; or
- A holder of a permanent humanitarian visa.
